As you know, the Owen Square ‘all weather pitch’ located behind Easton Community Centre is unusable in wet weather, due to water logging. With weather like we have in England it makes it virtually impossible for sport to happen on the pitch.

If you like to support the campaign to get the pitch resurfaced so our local community can use it to play sport on then please fill out the petition below.

Easton Community Centre are also excepting letters of complaint about the state of the pitch (please address to Michelle Wren).

# Get Sport on Chelsea Park/Easton Hard Court

# Research Questionnaire/Petition

| Name | E-mail | Signature | Local to Easton? | Do you find it hard to use the Pitch in its current state? | Would you like to see the pitch resurfaced? | If the pitch was resurfaced would you use it? |
